now produced a certificate from Mr. B. Jayaram, Medical Officer, Princess Krishnajammanni Sanatorium Mysore, certifying that Mr. Channaraj urs will be fit to rejoin duty about 25.2.1938.

4) Mr. Channaraj urs says that he will be returning to duty on the afternoon of 25th February 1938.

5) Under Art 139 of the M.S.R. an officer who has taken leave of any kind on account of ill-health may be required by the authority which granted the leave, to produce before he is permitted to return to duty, a medical Certificate of fitness signed by such Medical Officer as the authority may direct

(ii) 7) The date on which Mr. Channaraj urs may be permitted to return to duty.

Serial No.

If he is permitted to rejoin duty on 25.2.1938, the period from 30.1.1938 to 25.2.1938 (both days inclusive) has to be treated as leave without allowances. Draft Notfn is also put up

10. He has also intimated that he would be "returning to duty on the afternoon of 25.2.38 as advised by Dr Jayaram". Reference is invited to Dr. Jayaram's certificate explaining the officer's present condition, and stating that he "will be fit to re-join duty about the 25th Feb. 38" This seems to be a ~~~~ certificate of prospective fitness. ~~how he is able to forecast this definitely is not clear~~ If he is permitted to re-join on 25.2.38, the consequential arrgts. are for orders.

The Financial Sec^t has already recorded his views in regard to the request of Mr. Chennaraj Urs to be considered as having retired from Service from 30th Nov. 1937 (vide paras 102 & 103 Supra).

The case has therefore to be regarded as a Special one if the concession asked for has to be favourably considered. This is rather an unfortunate case and cannot be said that the Diwan Rich

Completed his premature retirement was contracted in the course of the discharge of his duties. The 1st member has been pleased to observe that he was an efficient officer with an excellent character. There is no question that he carried on his work for some time notwithstanding the incipient stages of the illness which finally overpowered him. If anything can be done at all, it can only be by the grant of an ex-gratia pension to suit the merits of the case.

MK 18/9

Chief Secy

The requests of Mr. M. Chennaraj Urs are:-

(1) To be allowed to draw pension from 30-11-37, the date from which he was on L.W.A., instead of from 18-8-1939.

(2) To condone a deficiency of about 3 years and 8 months in his qualifying service, required to make up 25 years.

Re: (1), as already noted by me, the request would be inconsistent with the realities disclosed by the situation. The Medical Board declared him to be incapacitated ~~from~~ for further service only on 18-8-1939 and it would ~~be~~ not be correct to assume the existence of this condition retrospectively from 30-11-1937.

Re: (2), the officer has actually put in a qualifying service of 21 years, 3 months and 23 days, and the deficiency required to make him eligible for full pension is far too great to be condoned, as

under the rules a shortage of not more than a year only can be condoned.

I, however, realise that some special consideration is deserving in this case, having in view the very satisfactory record of the officer and the bright prospects that he lost owing to his unfortunate illness. It is observed that during the period the officer was on furlough (from 30-8-1936 to 29-11-37) and on L.W.A. (from 30-11-37 to 17-8-39), he has been granted promotions in the cadre as noted in the margin, though he has not been able to draw any additional emoluments accruing in consequence of his promotion, and while holding the rank of a Deputy Comr. I Class, s.p.t. at the time of retirement, his pension can only be calculated under the rules on a pay of Rs. 800 (and less) on the basis of emoluments drawn at about the time of his proceeding on leave. As he has been allowed substantive promotions during his leave, it would be hard to deny him entirely the benefit of these for purposes of ~~leave allowances as also for~~ pension. I would therefore suggest that, for purposes of calculation of average emoluments for pension, the pay of the post held by him in the cadre during the last 3 years prior to date of his retirement, viz., 18-8-39, may, as a very special case, be allowed to be taken into account, subject to compliance with the essential

financial condition that no other officer ought to be allowed to count service for pension in the same post and on the same emoluments simultaneously. It is understood that only acting and sub-pro-tem promotions were allowed in the vacancy due to his leave. The Comptroller may kindly verify if the grant of the above proposal is likely to adversely affect the pension claim of any other officer in the cadre and calculate what pension can be allowed accordingly for a total service of 22 years (condoning a deficiency of about 8 months) payable from 18-8-1939.

No. 328

NOTE—Contn. Sheet

Submitted to His Highness.

With the gracious approval of His Highness, Mr. M. Chennaraj Urs, Deputy Commissioner, was permitted to retire from service with effect from 18th August 1939 on an invalid pension.

Mr. Chennaraj Urs has since submitted a representation praying for certain concessions in regard to his pension in view of the unfortunate circumstances that led to his being on leave (with and without allowances) for a prolonged period, to his premature retirement, and the financial loss he has suffered thereby.

Mr. Chennaraj Urs was continuously on leave from 30th May 1936 till the date of his retirement, viz., 18th August 1939, the period subsequent to 30th November 1937 being leave without allowances. He has put in a qualifying service of 21 years, 3 months and 23 days, and has preferred the following requests:-

1) To be allowed to draw pension from 30th November 1937, the date from which his leave without allowances commenced, instead of from 18th August 1939.

2) To condone a deficiency of about 3 years and 8 months in his qualifying service, required to make up 25 years.

Pages 28 & 30 of the rules.

The Financial Secretary who was consulted in the matter has, while pointing out that both the above requests are inadmissible under the rules, conceded that the circumstances of the case call for some special treatment. Considering the fact that Mr. Chennaraj Urs was allowed substantive promotions in the cadre of Deputy Commissioners even during his furlough and leave without allowances, but could not actually draw the higher emoluments on that account, the Financial Secretary has suggested that the officer might as a special case be given the benefit of these promotions at least for the purpose of the calculation of average emoluments for pension.

As only acting and sub-protem arrangements have been made in the vacancy consequent on the grant of leave to Mr. Chennaraj Urs, and no other officer can count service on the same appointment, it is proposed to allow

Mr. Chennaraj Urs to count for pension the emoluments of the post held by him in the cadre during the last 3 years prior to the date of his retirement (18th August 1939) and also to permit a deficiency of about eight months being condoned (which is admissible under the rules), bringing the total period of his qualifying service to 22 years.

It is ascertained from the Comptroller that Mr. Chennaraj Urs would be entitled on the above basis to a pension of Rs.366-11-0 as against Rs.268-6-0 that would otherwise be admissible to him.

Page 329 Minutes

In view of the foregoing circumstances and of the very satisfactory record of the officer and the bright prospects that he lost owing to his unfortunate illness, it is proposed to grant him a special arbitrary pension of Rs.366-11-0 with effect from the 18th August 1939.

The above proposal which has been agreed to by the Dewan and the Members of Council may graciously be approved.-

With reference to your application dated the 6th reby. for a further extension of leave for two months from 26th Jany: I am desired to state that you have been on leave continuously from 30th may 1936 and that apparently there is no chance of your returning to duty early. Dear Sir

In reply to your D.O letter No. 2608/6.B dated 13th instant I write to state that there has been steady improvement in my health, and that Dr B Jayaram, who has been treating me from the commencement of the illness is of the opinion

that the Disease has Snatched away

and that I am now required to

Give more rest and Strength to the

Constitution that I shall be

able to return to duty

I may also add that in case

I apply for retirement now the

pension I shall get will be

too small. I have still about

5 1/2 years of service for

superannuation. Hence I shall

be a great sufferer if I

retire now. In this connection
I may state that Annexes 202
and 123 of the Mysore Service
Regulations permit the grant of
leave on Loss of Lien etc.
I therefore request that if
Government may be graciously
pleased to sanction the further
extension of leave.

1) I am in receipt of Government Order No.610-12/C.B. 101-37-16 dated 5th September 1939 permitting me to retire from service from 18th August 1939 on an invalid pension. Regarding the same, I beg to state that if the pension rules are strictly applied I shall get a very low amount as pension. This is due to various causes and the following are the important ones.

(a) The average emoluments for purposes of calculating pension will be taken at Rs.600/- per mensem from 30th November 1934 to 29th May 1935 though I began to draw a salary of Rs.800/- per mensem as Acting Deputy Commissioner from a period much earlier than 30th November 1934. Then again, though I was made Deputy Commissioner, II Class, Sub pro tem, from 18th February 1937 and II Class provisionally permanent from 22nd September 1937, these arrangements do not benefit me as I was during that period on long leave with allowances and as the increase in pay was not actually drawn.

(b) For the same reason the increase in pay subsequent to 30th November 1937 does not in any way help me. Another important reason for the low pension is that the qualifying service is less due to my being on long leave from 30th May 1936 and to my retirement from service nearly 5 years prior to superannuation. I have lost nearly 7 years in the total qualifying service.

2) I beg to be permitted to bring to the kind notice of the Government certain circumstances relating to my case. Owing to illness, I have been forced to be on leave from 30th May 1936 to 18th August 1939 and from the latter date I have been

been permitted to retire. From 30th January to 29th November 1937 I have drawn half average salary only and from 30th November 1937 to 18th August 1939, I have been on leave without allowances. I have now been permitted to retire nearly 5 years prior to superannuation. I have been made Deputy Commissioner, I Class, Sub pro tem, from 1st July 1939 and prior to this I have acted in that class for about 9 months on different occasions. I would have drawn a salary of at least Rs.1,200/- per mensem until superannuation. Thus on account of adverse circumstances, I have financially suffered considerably. Instead of Rs.1,200/- per mensem I will have to be contented with a pension of about Rs.270/- per mensem if the Government do not favourably view my case and show me some concessions. I may be pardoned for making one or two personal observations. I believe that in the discharge of my official duties I have given entire satisfaction to my higher officers. During the whole period of my service, my enthusiasm for official work was so great that I overworked myself and consequently became a victim to nervous break-down.

3) Having regard to all the circumstances narrated above, I earnestly implore Government to take a sympathetic view and show the two following concessions to me. There is a deficiency of about 3 years and 8 months' service in my qualifying service to get full pension. This deficiency may kindly be condoned. The other request is that I may be permitted to draw pension from 30th November 1937 when leave without allowances commenced. In fact some time back Government themselves suggested to me the advisability of applying for retirement instead of extending leave indefinitely, but hoping to return to duty I requested the Government to continue me on leave. So if I had complied with the suggestion of Government this request would have been automatically sanctioned.

I beg to remain,
Sir,
Your most obedient servant.

Bangalore,
Dated 12th September 1939.
